# CAREER TOPICS ARE BORING...

**UNTIL THEY ARE NOT :)**

If you are feeling "meh" at your current job, but for whatever reason, you are seeing yourself spending a few more weeks in here, this playbook is designed to help you re-vitalise, re-energise and shake up your vibes at work :)

Date of Today:

Date You Started  
Doing What You do In  
The Place:

Explain what you do  
to a 5-year-old.

Explain what you do to  
someone coming from  
1918.

--- ADD HUMOUR ---

If you were a  
character in a  
soap comedy,  
who would you  
be? Why?

If your boss was an animal,  
what would s/he be?

Name 3 hilarious situations at work, including the moments  
when you mess up!

If you had a MAGIC ERASER, what or who will you delete from work?

If God gives you a handwritten note when you are in the office, what is written on it?

What felt different at work, comparing now VS when you just started in this role?

If TODAY you were the CEO of the company you are working for, or for self-employed, you are 100% in flow and the world is your oyster, how would your day look like?

If your work is a game, what are the 5 most important game rules?

The part of your job that feels like sh\*t is...

So The OPPOSITE of it would be...

Name one task at work that can brighten up your day.

Who are your favourite people at work?

Your biggest challenge is...

What feels easy?

Is it a WALL, or just a piece of STAIRS waiting for you to uplevel?

If you have a twin in another parallel universe, s/he will be doing...

Name one work challenge that you are most grateful for its transformation on you.

What spices you up in the morning?

What style of work environment can offer you more sense of freedom and inspirations?

How can you spice up your work area NOW?

What brings you the highest joy?  
How can you 10x that joyful feeling with your creativity?

If you are allowed to be 100% authentically YOU at work, what and how would you do, say, express and dress differently?

--- AMPLIFY YOUR SPARK ---

# Remember Why You Started

You are exactly where you need to be, so that you can get to where you headed.

All the lessons you are having now is preparing you to be a brighter, wiser you!

So use this as a platform for you to **BUY TIME** to accumulate more skills, capital and create a **CAREER PIVOT PLAN** while you can get prepared for the best timing to do so!

## Okay, Now What's Next?

# How to create a Career Pivot Plan that works?

## 1. Decide Your Next Destination

Which has stopped 90% of people...Without clarity of where you are headed, how can you plan your route towards there?

## 2. Research & Strategize How To Get There, Fastest

There are MORE ways that you can imagine when you are willing to do the research, and reach out to the right people, in the right way.

## 3. Step Into Your New Identity & Remove Mindset Blocks

Don't let your limiting beliefs stop you in your career evolution!

**Time To Pivot!**
